1. INTRODUCTION

At the previous AGM held on 15 September 2015, the shareholders of the Company approved, *inter alia*, a shareholders' mandate for the Company and/or its subsidiaries to enter into Recurrent Transactions. The shareholders' mandate shall, in accordance with the Listing Requirements, lapse at the conclusion of the forthcoming AGM unless authority for its renewal is obtained from the shareholders of the Company at the AGM.

Accordingly, the Board had on 21 June 2016 announced the Company's intention to seek its shareholders' approval for the Proposed Renewal of Shareholders' Mandate.

The purpose of this Circular is to provide you with the relevant details of the Proposed Renewal of Shareholders' Mandate and to seek your approval for the ordinary resolution therein to be tabled at the forthcoming AGM which will be convened at TASCO Berhad, Lot No. 1A, Persiaran Jubli Perak, Jalan 22/1, Seksyen 22, 40300 Shah Alam, Selangor Darul Ehsan on Wednesday, 28 September 2016 at 3.00 p.m.

SHAREHOLDERS OF THE COMPANY ARE ADVISED TO READ AND CONSIDER THE CONTENTS OF THIS CIRCULAR CAREFULLY BEFORE VOTING ON THE ORDINARY RESOLUTION PERTAINING TO THE PROPOSED RENEWAL OF SHAREHOLDERS' MANDATE AT THE FORTHCOMING AGM.

2. DETAILS OF THE PROPOSED RENEWAL OF SHAREHOLDERS' MANDATE

2.1 Provision under the Listing Requirements

Paragraph 10.09 of the Listing Requirements and Practice Note 12 allow the Company to seek a shareholders' mandate in respect of RRPT subject to the following:

- (a) the transactions are in the ordinary course of business and are on terms not more favourable to the Related Parties than those generally available to the public and not to the detriment of minority shareholders;
- (b) the shareholders' mandate is subject to annual renewal and disclosure is made in the annual report of the aggregate value of transactions conducted pursuant to the shareholders' mandate during the financial year where:
 - (i) the consideration, value of the assets, capital outlay or cost of the aggregated transactions is RM1 million or more; or
 - (ii) any one of the percentage ratios of such aggregated transactions is 1% or more,whichever is the higher;

An interested Director or interested Major Shareholder must ensure that persons connected with him abstain from voting on the resolution approving the transactions; and

The RRPT will also be subject to the review procedures set out in Section 2.4 below.

The Proposed Renewal of Shareholders' Mandate will, if approved by shareholders at the forthcoming AGM, be subject to annual renewal. In this respect, any authority conferred by the Proposed Renewal of Shareholders' Mandate shall only continue to be in force until:

- (a) the conclusion of the next AGM of the Company following the general meeting at which such Proposed Renewal of Shareholders' Mandate was passed, at which time it will lapse, unless by a resolution passed at the AGM, the authority is renewed; or
- (b) the expiration of the period within which the next AGM after that date is required to be held pursuant to Section 143(1) of the Act (but shall not extend to such extension as may be allowed pursuant to Section 143(2) of the Act); or

Notes :-

- (1) Sales are in respect of handling agency fees received by the Group from NYK Group where the Group acted as the handling agent for NYK Group.
- (2) Purchases are in respect of handling agency fees paid to NYK Group by the Group where NYK Group acted as the handling agent for the Group.
- (3) The estimated value was arrived at based on, amongst others, the actual transaction value during the previous financial year, information available at the point of estimation and the current state of the market and freight rates or based on prevailing prices obtained from the Related Parties which are reasonable market-competitive prices. The estimated value is further based on the assumptions that current level of operations will continue and all external conditions will remain constant. Due to the nature of such transactions, the actual value of the transactions may vary from the estimated value disclosed above.
- (4) None of the Actual Value of the RRPT has exceeded the Estimated Value by 10% or more.

As at LPD, the breakdown of the principal sum and interest for the total outstanding amount due under the RRPT which exceeded the following credit term are as follows:-

Exceeded credit terms for	Outstanding Trade Receivables from Related Parties	
	Principal (RM)	Interest (RM)
a period of 1 year or less	644,430	Nil
a period of more than 1 year to 3 years	318,152	Nil
a period of more than 3 years to 5 years	Nil	Nil
a period of more than 5 years	Nil	Nil

No late charges were imposed as the amount exceeding credit terms arose due to various operation complications and disputes in some of these shipments, which resulted in NYK and Yusen Group delay in settling the outstanding debts. The management monitors and analyses the outstanding debts on regular basis and follow up on the status of the case and will take appropriate action to recover the outstanding amounts.

The Board of Directors is aware of the outstanding amount that exceeded the credit period and opined that outstanding debts exceeding the credit period do occur in the normal course of business. Further, the Board of Directors is of the opinion that the above outstanding debts are collectable and has instructed the management to monitor and follow up to ensure all the outstanding debts are collected. The management would monitor and analyse the monthly aging statements and follow up with the related parties on the collection.

2.4 Review Methods or Procedures of RRPT

2.4.1 Review Methods or Procedures

The Group has established various procedures to ensure that such RRPT are undertaken on an arm’s length basis and on the Group’s normal commercial terms, which are consistent with the Group’s usual business arrangements, practices and policies and on transaction prices and terms not more favourable to the Related Parties than those generally available to the public and will not be detrimental to minority shareholders. On the provision for freight services, where there is no agreement, it is not practical for the Group to get approval from Audit Committee/Board of Directors every time it wants to provide freight service. The terms of transactions for the services will be in accordance with the Group’s usual business practice and at rates not more favourable to the Related Parties than those generally available to the public.

In this respect, the Group has implemented the following review and disclosure procedures with regard to RRPT:-

- (a) The transaction prices and terms are determined based on the prevailing market rates which are determined by market forces, demand and supply, specifications, exchange rates and other relevant factors. Where practical and feasible, quotations and/or tenders from at least 2 other contemporaneous transactions with unrelated third parties for similar products/services and/or quantities will be obtained and used as comparison to determine whether the price and terms offered to/by the related parties are fair and reasonable and comparable to those offered to/by other unrelated third parties for the same or substantially similar type of products/services and/or quantities.

In the event that quotation or comparative pricing from unrelated parties cannot be obtained, the transaction price will be determined by the Group based on the usual business practices to ensure that the RRPTs are not detrimental to the Group.

- (b) Records will be maintained by the Company’s Finance Department to capture all RRPT which are entered into pursuant to the Proposed Renewal of Shareholders’ Mandate. The Finance Department will be monitoring, tracking and identifying RRPT transactions and reporting to the Senior Management for presenting to the Audit Committee for review.

- (c) There are no specific thresholds for approval of Recurrent Transactions. All Recurrent Transactions are reviewed by Audit Committee and approved by Board of Directors, provided always that the interested directors are abstained from deliberating and voting on the said resolution.
- (d) The internal audit plan will incorporate a review of RRPT entered into pursuant to the Proposed Renewal of Shareholders' Mandate to ensure that the internal control and procedures in respect of the RRPT are adhered to.
- (e) The Audit Committee will review the internal audit report to ascertain that relevant procedures, guidelines and policies established to monitor the RRPT have been complied with.
- (f) The Board and the Audit Committee will have the overall responsibility for the determination of the review procedures, including any addition or variation thereto, where applicable. If a member of the Board or the Audit Committee has an interest in a transaction, he will abstain from any deliberation and decision-making by the Board or the Audit Committee in respect of the said transaction.
- (g) Disclosure will be made in the annual report of the Company in respect of the breakdown of the aggregate value of the RRPT made during the financial year during which a shareholders' mandate is in force, based on the type of the transactions made, the names of the related parties involved in each type of RRPT made and their relationship with the Group.
- (h) The review of these procedures and processes are carried out twice yearly.

The Audit Committee undertakes that procedures are in place to ensure that the RRPT entered into are conducted:

- (a) at arm's length;
- (b) on normal commercial terms;
- (c) on terms not more favourable to the Related Parties than those generally available to the public;
- (d) in the Company's opinion, are not detrimental to the minority shareholders; and
- (e) in the best interest of the Group.

The Board of the Company and the Audit Committee have reviewed the procedures and shall continue to review the procedures as and when required.

2.4.2 Abstention from Voting

Categories of persons who will abstain from voting are as follows :-

- a. Any interested Director(s);
- b. Any interested Major Shareholder(s);
- c. Any person(s) connected to the interested Director(s) or interested Major Shareholder(s); and
- d. Any Director(s) or Major Shareholder(s) whose person(s) connected is/are interested in the RRPT.

3. STATEMENT BY AUDIT COMMITTEE

The Audit Committee was of the opinion that:

- (a) the Group's procedures and processes, which are reviewed twice a year, is adequate to monitor, track and identify RRPT in a timely and orderly manner; and
- (b) the procedures mentioned in Section 2.4, which are reviewed twice yearly, are sufficient to ensure that RRPT are not more favourable to the Related Parties than those generally available to the public and will be made at arm's length and in accordance with the Group's normal commercial terms, and hence, will not be detrimental to minority shareholders or disadvantageous to the Group.

4. RATIONALE AND BENEFITS OF THE PROPOSED RENEWAL OF SHAREHOLDERS' MANDATE

The RRPT entered into by the Group with the Related Parties is in the ordinary course of business and are necessary for its day-to-day operations. The RRPT is a recurring transaction of a revenue or trading nature which are likely to occur with some degree of frequency and arise at any time and from time to time.

The Proposed Renewal of Shareholders' Mandate will enable the Group to enter into the RRPT which is necessary for the Group's day-to-day operations, subject to the transactions being in the ordinary course of business and on normal commercial terms which are not more favourable to the Related Parties than those generally available to the public and are not detrimental to the minority shareholders of the Company.

The obtaining of the Proposed Renewal of Shareholders' Mandate and renewing the same on an annual basis, would eliminate the need to convene separate general meetings from time to time to seek shareholders' approval as and when potential RRPT with Related Parties arise; thereby reducing substantially administrative time, inconvenience and expenses associated with the convening of such meetings, without compromising the corporate objectives of the Group or adversely affecting the business opportunities available to the Group.

The Group should be able to have access to all available markets, products and services with unrelated and related parties. The Group benefits from the RRPT through the synergies that are derived from the related parties' global network (through acting as a handling agent of NYK network, provision of freight services and leasing of office/warehouse by the NYK Group) and expertise (through staff secondments, usage of computer software and provision of management services by the NYK Group). Transacting with the Related Parties enhances the ability of the Group to explore beneficial business opportunities. As such, the Proposed Renewal of Shareholders' Mandate is of paramount importance for the continued success and viability of the Group.

5. APPROVAL REQUIRED

The Proposed Renewal of Shareholders' Mandate is subject to the approval being obtained from the shareholders of the Company at the forthcoming AGM to be convened.

6. FINANCIAL EFFECTS

The Proposed Renewal of Shareholders' Mandate, if obtained at the forthcoming AGM, will not have any effect on the EPS and NA per share at the Group level, issued and paid-up share capital, substantial shareholding, gearing and dividend rate of the Company.

7. DIRECTORS' AND MAJOR SHAREHOLDERS' INTERESTS

The direct and indirect interests of the interested Directors, interested Major Shareholders and interested Persons Connected with them as at LPD are as follows:-
